Optional Storage Base

The ideal companion for your Iso'ven Wood Burning Pizza Oven — our Optional Storage Base. It allows you to choose the height of your Iso'ven in relation to the rest of your outdoor kitchen or living space. Installed as-is, with no customization, our Iso'ven base is the perfect height to pair with one of our Iso Kern outdoor fireplaces.

Oven Hood

Following the classic approach of traditional wood burning ovens, the Iso'ven is designed to vent through the front. But at Earthcore, we believe customization creates satisfaction. So, if you prefer a flue, we now offer a Hood for Iso'ven designs, giving you the freedom to finish it in your own personal style.
