Dry-Stack - Mortarless		BRIKclad Drystack is a mortarless brick veneer that features a rolled edge. Each brick is approximately 11.625" in length, 2.75" in height and 1.6" thick. Coverage is based on tight-fit joints and 4.5 bricks make up 1 square foot. Coverage will vary based on joint size, cutting or trimming preferences. Pallet dimensions are: 48" (L) x 48" (W) x 22" (H).
