<b>SPLIT FACE LEDGEROCK</b>				Split Face Ledgerrock is split in a way that reveals the unique pattern of horizontal veining within each kind of stone. The lower heights give it a linear appearance.				
				Coverage is based on ½” joints. Coverage will vary based on joint size, cutting or trimming preferences.				
	<b>PRODUCT CODE (SKU#)</b>			<b>PACKAGING</b>			<b>WEIGHT (Approx.)</b>

- All stones are available in both Veneers and Full Bed. Veneers are sold by the Crate and Partial Crate.
- Corner pieces from Colonial Brick & Stone are larger than most! For every linear foot of corners, you get approximately 1 square foot of coverage.
- Partial Crates are sold in increments of 10 sq.ft. / lin.ft.
- Non-Stocked Veneers and Special Order Full Bed products have a lead time of 3 to 4 weeks.

**Stocked**

<b>SAWN HEIGHT</b>				Sawn Height is a dimensional cut stone consisting of four different heights. These sizes are designed to work together along with a 1/2" mortar joint between each stone. Split with vertical veining, the colors are often more vibrant as individual veins are exposed.				
				Coverage is based on 1/2" joints. Coverage will vary based on joint size, cutting or trimming preferences.
